D-Sub Hoods

for example

Hood with Straight Cable Exit

For D-Sub 09/15/25/37/50 Pin.
Various versions in plastic or metallized.

Hood with Straight and Side Cable Exit

For D-Sub 09/15/25/37 Pin.
Various versions in plastic or metallized.

Hood with 90° Angled Cable Exit

For D-Sub 09/15/25/37 Pin.
Plastic. With or without shielding.

Hood with Straight or Side Exit

For D-Sub 09/15/25/37 Pin.
Metal, EMI/RFI shielding.

Hood with 90° Angled Cable Exit

For D-Sub 09/15/25/37 Pin.
Metal, EMI/RFI shielding.

Hood with Straight and 2 Side Cable Exit

For D-Sub 09/15/25/37 Pin.
Plastic or metallized.

Hood IP 67

For D-Sub 09/15/25 Pin.
Plastic, waterproof.

Bus Connector

Bus Connector

Profibus, CAN-Bus, Interbus

Accessories

For D-Sub connectors

D-Sub Connectors

Standard

Solder cup or solder pin
(straight/angled).
09/15/25/37/50 Pin

Waterproof IP 67

Standard, high density, combi
and filter versions.

High Density

Solder cup or solder pin
(straight/angled).
15/26/44/62 Pin

Wire Wrap

09/15/25/37/50 Pin

Filter

Planar-, tubular- or
Pi-filter. Filter adapter.
Many designs and
mounting types.

Range of different Connectors

Mini DIN Connectors

Connectors for PCB
(straight and angled) and
cable assembly

Circular Connectors Waterproof

Different series of connectors, plastic or metal body,
2 to 12 pins

Waterproof IP 68

For front or back mounting.
Versions: Standard, high density,
combi and filter.

Combi

Versions for signal,
power, coaxial
and pneumatic
contacts.

Press Fit

For standard-, high density-,
combi- and filter-connectors.

M8/M12 and Electrovalve Connectors

M8/M12 circular connectors and
valve connectors, the complete range
for automation

USB Connectors

Various Universal-Serial-Bus connectors

Dual Port

Available in various designs

SMD

Also available taped on reel and with filter

IDC (Flat Cable)

Stamped contacts, suitable for cable AWG 28-26

Crimp Standard

Crimp contacts and body. Standard and high density execution. Machined or stamped contacts.

Crimp Combi

Crimp contacts and body. Signal, power, coaxial.

Gender Changer

In standard and high density versions

RJ 45 Connectors

Various RJ Modular Jack connectors

PCB Connectors

Header, Box header, IDC Socket, Transistion plug, Dip plug

Large Selection of Different Assembling Types
